## DISEASES AND CONDITIONS REPORTABLE IN NORTH CAROLINA

Physicians have a responsibility to report specific diseases and conditions to their local health department, as mandated by North Carolina Administrative Code 10A NCAC 41A.0101. Find contact information for your local health department at <https://ncalhd.org/directors/>. If you encounter difficulties reaching them, the Communicable Disease Branch is available for consultation and reporting 24/7 at (919) 733-3419. For diseases requiring immediate reporting (within 24 hours), first contact your local health department by phone. Subsequently, submit a written disease report within 7 days. Access detailed reporting rules and disease report forms here: <http://epi.publichealth.nc.gov/cd/report.html>  
 •Disease report forms: [https://epi.dph.ncdhhs.gov/cd/lhds/manuals/cd/reportable\\_diseases.html](https://epi.dph.ncdhhs.gov/cd/lhds/manuals/cd/reportable_diseases.html)

You may be contacted by the local health department for additional information about this case. Medical record information relevant to the investigation and/or control of a communicable disease is exempt from the HIPAA Privacy Rule (see 45 CFR 164.512(a) ) and is permitted as an exception to confidentiality of records in NC State Law GS § 130 A-130.

**North Carolina General Statute: §130A-135. Physicians to report.** A physician licensed to practice medicine who has reason to suspect that a person about whom the physician has been consulted professionally has a communicable disease or communicable condition declared by the Commission to be reported, shall report information required by the Commission to the local health director of the county or district in which the physician is consulted.

**North Carolina Administrative Code: 10A NCAC 41A.0101 Reportable Diseases and Conditions**

(a) The following named diseases and conditions are declared to be dangerous to the public health and are hereby made reportable within the time period specified after the disease or condition is reasonably suspected to exist:
