

NC STD Update 2011

Revised Scanning HIV Testing Form

Janet Alexander, North Carolina HIV and STD Prevention Program

Main Points:

- CDC issued new reporting requirements for HIV testing effective January 1, 2012
- HIV Counseling and Testing Report Form will be revised and distributed next year to agencies that submit HIV tests to NC SLPH
- Distribution of new form is projected for 2nd Quarter 2012
- Information about rapid HIV testing and blood testing will be collected on one form
- Detailed instructions will be distributed with the new forms
- Once forms and instructions are distributed, contact the HIV and STD Prevention Program if you have further questions (919 733 2030)

Proposed changes to form
